

Heritage Greens Single Family Association
Outdoor Storage Box Resolution
Passed January 19, 2022

Outdoor Storage Boxes will now be allowed in Single Family homes. The approval of the SFA Attorney has been given to allow outdoor storage boxes if: a) they are no larger than 70 cubic feet in dimension, b) are made of a “Rubber - Maid” type of durable, hard shell plastic, c) are temporary constructions which can be disassembled and stored inside if there is a hurricane threat, d) not permanently affixed to the home or lot and e) are screened from view from the street and the golf course. Uses for these boxes include but are not limited to storage for pool and gardening equipment and garbage cans.
